Skills

- **Core Technologies:** ReactJs, React, JavaScript (ES6+), Redux, Context API, HTML5, CSS3, Bootstrap, APIs, SASS, Tailwind, MongoDB, Axios, JWT, Responsive Ui Designs, Postman, Agile, Debugging, React Hook Form, Jira, AWS (S3).
- **State Management & API Integration:** useState, useEffect, useContext, useReducer, Axios / Fetch API
- **Libraries/Frameworks & Version Control:** Redux, Next.js, and Node.js, Express.js, Git, GitHub, GitLab

Professional Experience

Senior Front End Developer | [CDP360 Technologies](#) **ReactJs** | **NodeJs** | **Javascript** | **NextJs** 2022 - present

- Engineered responsive and high-performance UIs with React.js and Next.js, ensuring accessibility and cross-device compatibility. Developed scalable backend services with Node.js, integrating RESTful APIs for seamless frontend-backend interaction.
- Optimized code quality, performance, and maintainability through best practices, automated testing, and efficient UI development with Bootstrap, Tailwind CSS, and SASS.

Front End Developer | [Eternosoft technology](#) **ReactJs** | **HTML** | **Javascript** | **SASS** | **Redux** 2021 - 2022

- Integrated RESTful APIs for efficient data exchange, structured error handling, and optimized UI state management to enhance performance and reliability.
- Designed fully responsive UIs with Bootstrap and custom CSS, improving cross-device compatibility and boosting page load speed by 30%. Led front-end development with reusable ReactJS components, improving maintainability and reducing development time by 40%.

Project Work

Womeyn E-Commerce

- Developed a scalable e-commerce platform with ReactJS, Redux, and Node.js, enhancing UI/UX with Tailwind CSS and Bootstrap. Integrated RESTful APIs with Axios for real-time data processing, ensuring a seamless shopping experience. Optimized performance and responsiveness to support women entrepreneurs in growing their businesses online.

CDP360 LMS

- Developed core LMS features using ReactJS, Redux, and Node.js, optimizing course management and interactive learning. Enhanced accessibility and UI/UX, increasing user engagement and improving platform usability. Integrated RESTful APIs for seamless data flow, enhancing system efficiency and performance.

StartUp Hieres – A Job Search Engine

- Developed a specialized job portal connecting teachers with educational institutions, featuring job listings, HR, and admin management. Built a user-friendly interface with seamless job search and application tracking. Streamlined hiring processes for institutions while ensuring an intuitive experience for educators. Enhanced efficiency with easy navigation, role-based access, and application management.

Education

Karpagam Academy of Higher Education

Master of Computer Applications

2018 - 2020

CGPA: 8.6/10

Sri Vidya Mandir Arts and Science College

Bachelor of Computer Applications

2015 - 2018

CGPA: 8.2/10
